

Scrum Meeting Transcript

Sprint No. 2

August 5, 2013

The aim for today's meeting is the member's progress of their individual task. The meet is around 3:00 to 3:15 PM (15 mins.).

Below this shows the questions asked in the meeting and its corresponding answers.

1. What did you do yesterday?

Cabahug: Continue coding in search for Subject.

Comeda: Solve the errors in running grails in my laptop.

Daganga: Updates the domain YearSem.

Villarias: Edited Program gsp files.

2. What will you do today?

Cabahug: Continue coding in search for Subject.

Comeda: Hopefully I can continue working on my task.

Daganga: Learning testing in grails.

Villarias: Add yearLevel attribute for Student domain.

3. What prevents you from making progress?

Cabahug: Need some knowledge more in grails.

Comeda: Errors in running grails in my laptop, must re-install everything or reformat.

Daganga: Still need some knowledge on how to debug grails issues.

Villarias: None so far.

End of Meeting.
