# Scrum Meeting Transcript

**Sprint No. 2**
July 29, 2013

The aim for today's meeting is to start the Sprint No. 2. As a scrum master for this sprint I assigned each member in their tasks to be done in two weeks. The meeting is between 3:00 to 4:30 PM, around 3:15 to 3:30 PM (15 mins.).

Below this shows the questions asked in the meeting and its corresponding answers.

1. What did you do yesterday?
Cabahug: Finished the first task.
Comeda: Finished the first task.
Daganga: Finished the first task.
Villarias: Finished the first task.

2. What do you plan on doing tomorrow?
Cabahug: Starting my new task.
Comeda: Fixing local Github & starting the task.
Daganga: Starting my new task.
Villarias: Starting my new task.

3. What prevents you from making progress?
Cabahug: Internet is unavailable at the moment, error in running grails upgrades/plug-ins.
Comeda: Internet is unavailable at the moment.
Daganga: Searching for good UI ideas at the moment that can be used in the software project.
Villarias: Internet is unavailable at the moment, can't update repo.

End of Meeting.
